Hello to Iowa Black Powder Federation Members and other Muzzleloading shooters.

I am certain most of you have heard by now that the Powder Horn News has been closed because of Dee, Editor and Publisher of the paper had a serious illness and was not able to return to her post.

At our November IBPF the board made several suggestions as how to get our news out to you the members and other interested shooters. Before I could act on the suggestions of contacting the members, I learned of a possibility of an interested party who was interested in starting a paper. While waiting to see what happens we will be using the IBPF website to get our news to you. Thank you for your patience and consideration during this difficult time.

You have received the IBPF flyers and perhaps you have placed the dates on your calendars already. We always need a reminder so this is my reason for writing at this time.
